

**Day 2** - Now that we have gone all in and rolled away from us the undesirable things in our lives, we must trust the Lord with them. You must believe that He has taken ALL of them. He now wants us to focus on what He will bring to pass. How do we know what He will bring to pass? We find it in His Word. He makes a promise that He will fulfill (bring to pass) His Word. It is our responsibility to read the Word of God, realize that we are reading ALL of what God wants to bring to pass, and believe (trust) that He will, just as He has promised!

Regarding our "ROLL AWAY" (smile) list, do you know what God wants to bring to pass instead, according to the Word of God? Oh, by the way, the Lord will never ask you to give Him something without giving you something in return!

For the things that you were able to relate to from the list in Day 1 Devotion, find one or two scriptures that express how God feels. Remembering that He has taken the undesirable thing, now in its place, receive what His Word says.

Example: Lying - Scripture: Ephesians 4:25 - Therefore, putting away lying, "Let each one speak truth with his neighbor," for we are members of one another.

Pray and Declare: I speak the truth with my family, friends, and church family because we are members of one another, in Jesus' name.

Mean this and believe it is so, And it shall be, in Jesus' name. Amen.
